A NEW SIGN. A STRONGER PROMISE.

Our new school signage now proudly carries the King's Reign identity — symbolising our transformation, growth and commitment to providing an exceptional learning journey for every student.

At the heart of KRIS are the values that define who we are:

K — Knowledge

Learn with Knowledge.

R — Resilience

Rise with Resilience.

I — Integrity

Lead with Integrity.

S — Service

Serve with Purpose.

This is more than a new sign. It represents our identity, our aspirations and the future we are building together.
Same Vision. Greater Purpose.

We are KRIS. We Reign!

Where Excellence Reigns, and Futures Begin.

A MESSAGE FROM OUR PRINCIPAL

MS CATHERINE FOO BEE YEN

Dear KRIS Community,

August has been a month filled with growth, achievement, creativity and new opportunities at King's Reign International School.

This month, we proudly celebrated the launch of Language Month 2026, giving our students opportunities to develop their confidence in English, Mandarin and Bahasa Melayu beyond the classroom. Through storytelling, tongue twisters, competitions and cultural activities, our students have been encouraged to communicate, participate and express themselves with confidence.

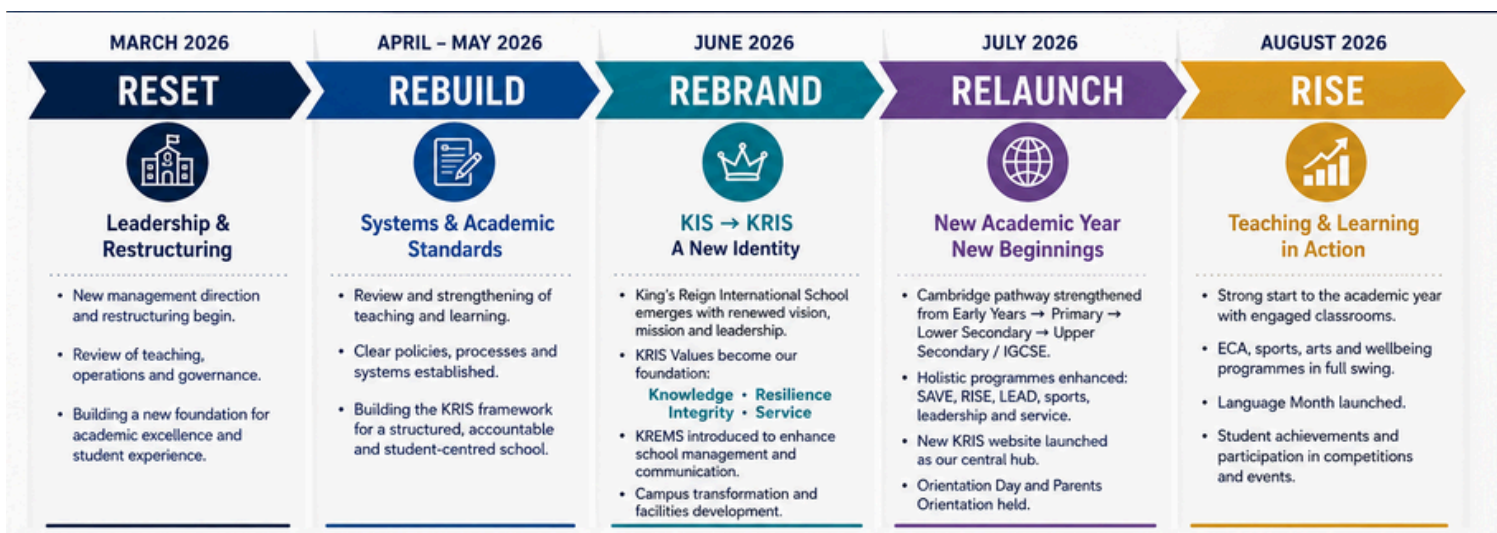

We are also delighted to celebrate the achievements of our students beyond academics, including their participation in sports competitions and their representation of Negeri Sembilan at the national level.

At KRIS, we believe education is about developing the whole child. Our commitment extends beyond academic excellence to nurturing resilience, leadership, wellbeing, creativity and service.

As we continue through the academic year, I would like to thank our teachers, parents and students for their continued support and commitment to our school community.

Let us continue to learn with knowledge, rise with resilience, lead with integrity and serve with purpose.

OUR JOURNEY SO FAR

LANGUAGE MONTH 2026

ONE SCHOOL. THREE LANGUAGES. ENDLESS POSSIBILITIES!

17 AUGUST 2026 – 14 SEPTEMBER 2026

King's Reign International School (KRIS) officially launched Language Month 2026, marking the beginning of an exciting month-long celebration of language, creativity, communication and culture.

With the theme "One School. Three Languages. Endless Possibilities!", students will have the opportunity to explore and celebrate three languages that are an integral part of our school community:

🇬🇧 English | 🇨🇳 Mandarin | 🇲🇾 Bahasa Melayu

Throughout the coming weeks, language learning will come alive beyond the classroom as students speak, perform, create, compete and challenge themselves through a variety of engaging activities and competitions. From storytelling and public speaking to tongue twisters, Chinese character writing, pantun recitation and patriotic songs, there will be something for every student to enjoy and participate in.

The celebration will continue with English Week, Mandarin Week and Bahasa Melayu Week, building towards our Language Month Closing Ceremony and Merdeka Celebration on 14 September 2026.

As we celebrate the beauty and diversity of language, we hope to inspire our students to communicate with confidence, appreciate different cultures and discover the endless possibilities that language can bring.

Preschool Highlights

Little Learners, Big Discoveries

August was filled with fun, creativity and exciting learning experiences for our preschoolers!

Sound It Out!

Our little learners practised the /a/, /p/ and /nd/ sounds through fun listening and repetition activities.

Fruits, Words & Fun!

The children explored buah-buahan tempatan and Badan Saya, while building their Bahasa Melayu vocabulary through the fun Syllable Jump game.

Counting, Writing & Discovering!

Our preschoolers practised reading, writing and counting strokes in Mandarin, building confidence through repetition and practice.

Let's Count & Play!

Through playful activities, the children explored numbers and colours while developing their early maths skills.

Little Scientists

Our young explorers discovered the human body and food through exciting activities, including a fun market role-play.

Create, Imagine & Shine!

Creativity came alive through colour mixing, finger stamping, shirt collages, self-portraits and colourful yarn hairstyles!

Sing, Move & Speak!

As part of English Language Month, the children enjoyed nursery rhymes, movement, body percussion and London Bridge through fun-filled activities.
